Fly to Chongqing. Afternoon sightseeing: Yangtze River Museum & the Second World War Memorials. Embark MV. Paradise before 8 p.m. and set sailing at mid-night.

MV PARADISE – CITS PRESIDENT CRUISES NO.6 (superior)

The UNESCO site of Yangtze River with Three Gorges is the third longest in the world and the largest in China with stirring, riffle water along with swirling bubbles. Many isolated small villages and numerous local temples and pagodas, historical sites along the river side bring us a geography, history and legends beyond our images. Relax with drinking and eating inclusive just as a parting & appreciation extension that extremely brings us into a most beautiful vacation, not else. The President Cruises are superior & luxury boats specially designed for foreign visitors and it has provided the excellent service for over 18 years with a good reputation. The staffs are very talent and even organize us for joining their talent show and entertainments on board.

Day 9 (Sat) Cruise (B. L. D)

Start our sailing for a distance of 430 miles in all the great gorges and the deep mountain valleys.

Afternoon we reach the ghost city of Fengdu for a shore excursion, the temples here reveal ancient Chinese religion and legends with their imaged constructions and the ghost statures for people lucky praying. We could also have a glimpse of the new settlement town by the relocation of the new dam construction. Return the boat and continue sailing. It is subject to visit Shiboze Pagoda on the cliff which has been always regarded as a pearl along the river for people praying for good luck in the ancient times.

Day 10 (Sun) Cruise (B. L. D)

Sailing into the first Qutang Gorge and the second Wu Gorge and the river changes to wildly stirring, riffle water along with numerous swirling bubbles. The mossy cliffs are hemmed by the hanging pathways under the Twelve Peaks. After the boat reaches the famed Shennong Stream, we change to the small boat and sail deep into the fabled Three Lesser Gorges of 3 hours exploration. After we get to the upstream we change to small sampan pulling up by man tracker on bubbled water to the ethnic villages, they celebrate our visiting by singing local songs along the sampan trip while we enjoy the most scenic of all gorges for an excursion. After returning the boat, we continue to sail into the third Xiling Gorge and pass through many historical sites. Finally sail through the huge Three Gorges Dam and the 5 ship locks with lowering the boat down 412 feet.

Day 11 (Mon) Cruise and disembarkation at Yichang, then fly to Shanghai (B. L)

Continue Sailing in Xiling Gorge then take a shore excursion to the New Dam site in the morning. Afternoon disembarkation at Yichang and fly to Shanghai.
